These Boys Were a Vital Part of Our School.

On behalf of the faculty and student body of Scottsbluff Senior High School, the BLUFF staff wishes to extend their sincere sympathy to the parents and those whose loved ones were taken on December 15.

These boys were a vital part of our school life. They contributed toward bettering our musical program and also toward the academic standard of our school. Their passing is a deep loss and our prayers are for their families and those concerned.

There is something in your friendship very sweet for rainy days. Tis your thoughtfulness in finding what I like in little ways, and of doing one by one, things that others leave undone.

There is something in your friendship same and strong and glad and true, which makes better worth the doing everything I have to do, and your friendly word and smile somehow helps make life worthwhile.

There is something in your friendship very rare to find, my friend, tis unselfishness in giving without stint and without end; so there is—at last I learn—love that asks for no return.

There is something in your friendship that has stood through many a test, giving me a sense of safety, of security and rest. Friend of mine, my whole life through, I'll be glad that I met you.

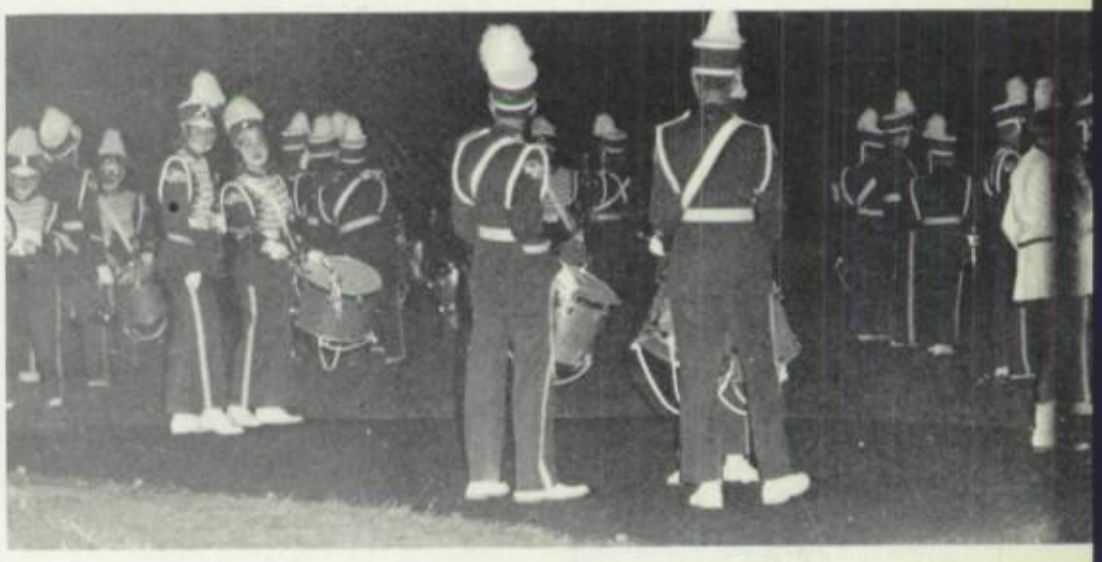
ACTIVITIES



While the school's main function is to educate, it is not merely a community of scholars. The school enables the youth of our community to learn to adjust to adult life by exposing them to and delegating to them new responsibilities. Many of the organizations and activities serve in fulfilling this dual function. Within these activities, one's individual leadership qualities are stimulated. It also provides an atmosphere of belonging and security to the student participants. Whatever the activities' purposes may be, they guide us onto the ROAD TO SUCCESS.

Skittens Initiate New Ideas to Build Spirit.

Traditions and new ideas are employed each year by Skittens in attempting to enliven school spirit. Such ideas which were initiated and perfected this past year included a car rally, a spirit jug, posters, and locker signs for varsity players.

With well over 250 members, the pep club sought to strengthen spirit and promote intra-school understanding. Skittens also encouraged good sportsmanship between SSHS and its competing schools.

Heading the year's list of new activities was the car rally. Under police escort the girls drove their decorated cars to Gering preceding the football game. Participants commented that the rally was successful in boosting enthusiasm for the Scottsbluff-Gering football game.

Selling shakers and decals enabled Skittens to enter a float in the Banner Day parade. The girls also co-sponsored the annual Skittens-S Club Semi-formal, which was held February 25th.

Vocal Music Groups Perform for Open House.

WHILE WORKING ON the musical, the tables were turned when the boys from the Stagecraft class made the costumes for the musical and the girls became stagehands. Karlene Knutson, Jose Vega and Teri Durban dye skirts for the production.

The "Lowland Sea" was presented by members of A Capella choir on December 9. The other half of the program consisted of excerpts from "Spoon River" anthology done by the dramatics department.

The tragic story of the "Lowland Sea" tells how the sailor, Johnny Dee, is left ill in a foreign port. His ship sinks on its return and Johnny's lover Dorie Davis believes he is dead. When Johnny returns, he finds she has married a widower, because of her love for his three little children.

Evenings and weekends were filled with rehearsals for the cast. Only members of A Capella participated.

This year's spring musical, "The Sound of Music", was presented on April 21-23. This was the "biggest" musical to be done at SSHS so far, and members for the cast were chosen after about 150 tryouts.

"The Sound of Music" is the well-known story of the Trapp Family Singers, who fled their homeland of Austria to escape German Nazism.

Tedious and time-consuming rehearsals are the very necessary foundation for all musical productions, but the spring musical is usually the highlight of the year for most of the students involved in music. Many other departments of the school have also become involved.

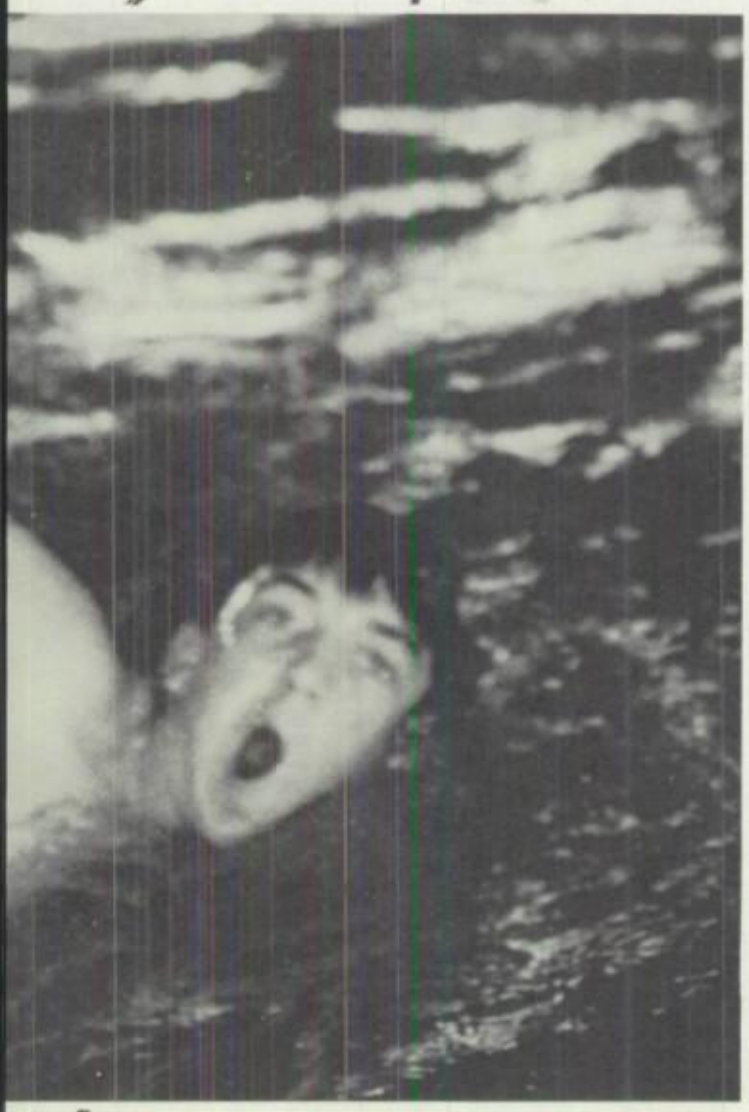
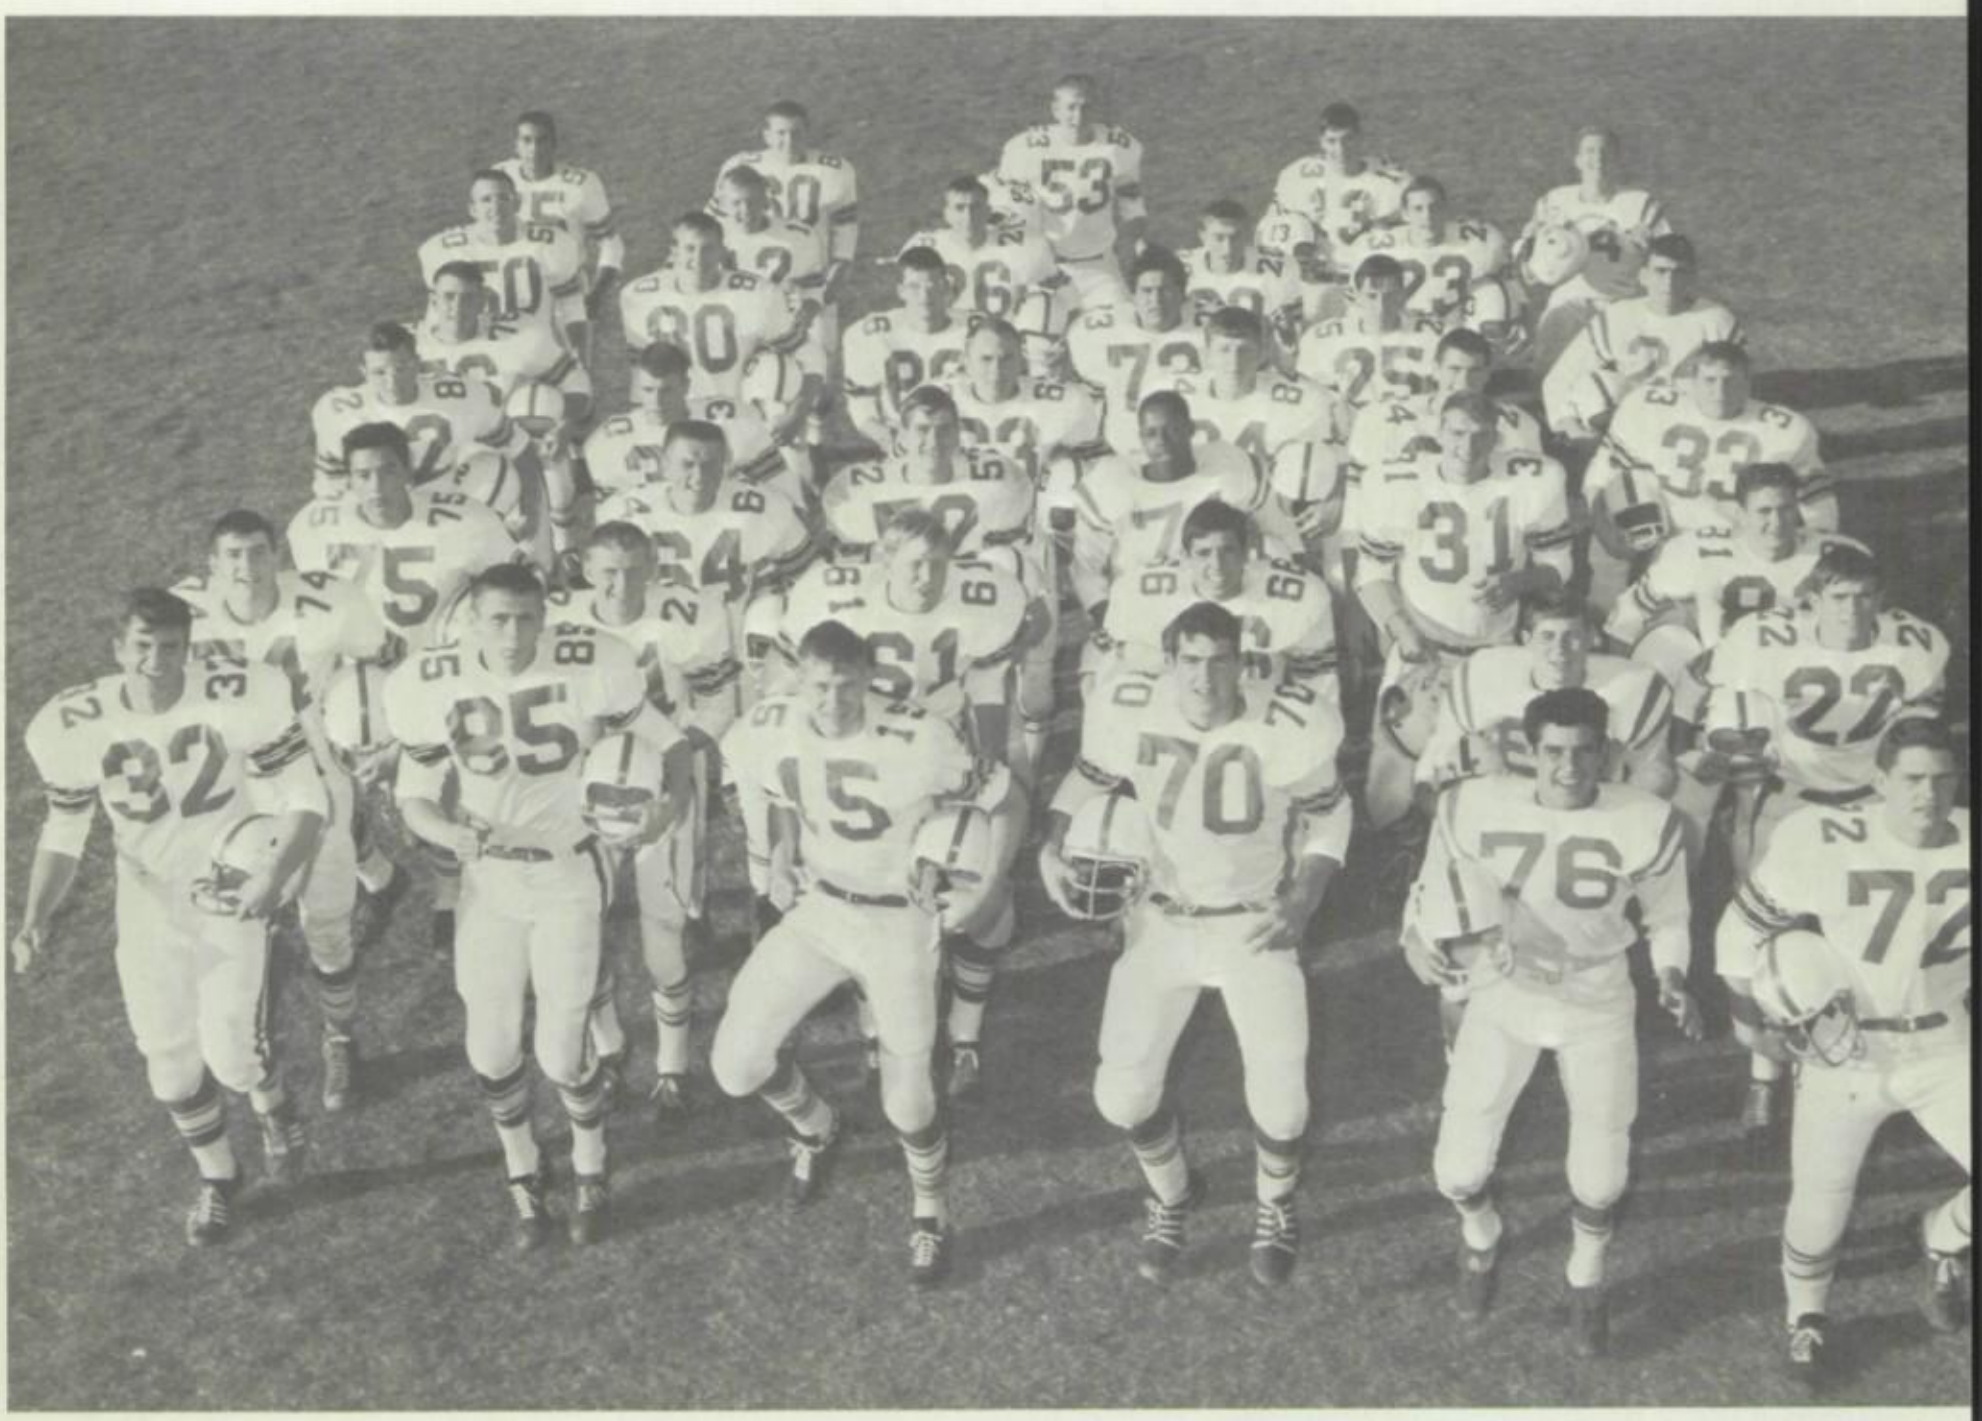
ATHLETICS



Comprising the atmosphere surrounding sports and its participants are a feeling of fair play, the spirit of good sportsmanship, the excitement of competition and an undercurrent of self-respect. Realizing that sound human bodies lend to efficient mind and keen thought, the boys and their coaches strive for perfection on the field of play. The boys are instructed in the art of winning as well as losing gracefully. By meeting and conquering the situations presented to them in the sport's world, many boys prepare to face the challenges of our modern, fast-moving world which leads onto the ROAD TO SUCCESS.

Bearcats Have Winning Year Despite Injuries.



HERE COMES THE Big Red varsity team which boasted a 5-4 season this year. Approximately 40 boys made up the varsity team with three boys as student managers. For the first time this year, a seasonal captain was selected. This year Steve Yungblut was chosen to lead the team through out the season. The Bearcats ended up third in the West Big Ten by winning two of the four conference games.

LINE COACH, EVERETT March and backfield coach, Don Hartwig go over plans for the next Bearcat varsity game with head coach, Les Lee. Coach Lee completed his second year as the head mentor.

HALFBACK STEVE REISIG roars over the 25 yard line bound for the goal as he gets some good blocking from Ben Shaver and John Sorensen. The Bearcats corralled the McCook Bison in a West Big Ten conference football game which was also the Banner Day main attraction.

Scottsbluff held back a strong Rapid City team in the season's opener but lost the game 17-7. The Bearcats led at halftime by a touchdown made by Dave Hayen. He ran the final 10 yards of a 45 yard drive with Jim Kautz kicking the extra point. We gained possession of the ball by a recovery of a Cobbler fumble to start this drive. Late in the third quarter, the Cobblers tied our score and moved into the lead on a 61 yard run. With two seconds remaining in the game, Rapid City booted a 24 yard field goal to end the scoring.

The Big Red held Sterling to six points as our offense tallied 25 points for our first win of the season. A touchdown by Hayen gave us a 7-6 lead at halftime. The Bearcats raced back to add three touchdowns by Heinrich, Metcalf and Micek in the second half. Jim Kautz placekicked one extra point. Two of the touchdowns were made in the final quarter to close this non-conference game.

Halfback Steve Reisig ran 60 yards on a punt return to enable the Bearcats to beat Gering 19-13. Gering scored first, but Scottsbluff soon retaliated as Dennis Becking caught a Hayen pass in the end zone. The Bearcats went 82 yards on the next drive with Micek going the final yardage on a quarterback sneak. Reisig's run came with 8:48 remaining in the last quarter. Hayen ran the extra point.

Alternate fullback Bill Lehr helped to spark the Bearcats to a victory against the Sidney Maroons. He rushed for 111 yards on 12 carries, made one touchdown and set up another with a 57 yard run. The Big Red defense limited the Maroons to 69 yards for the evening. Helping Lehr were Steve Reisig, Terry Micek, and Joe Goodell who each made touchdowns to end the game 25-12.

Big Red Trounces Bison for Banner Day Win.

STRAIN SHOWS ON the face ot captain Steve Yungblut as he manages to shake off a would-be tackler. The senior fullback made his debut in the Banner Day game with the McCook Bison which saw the Bearcats win 26-13.

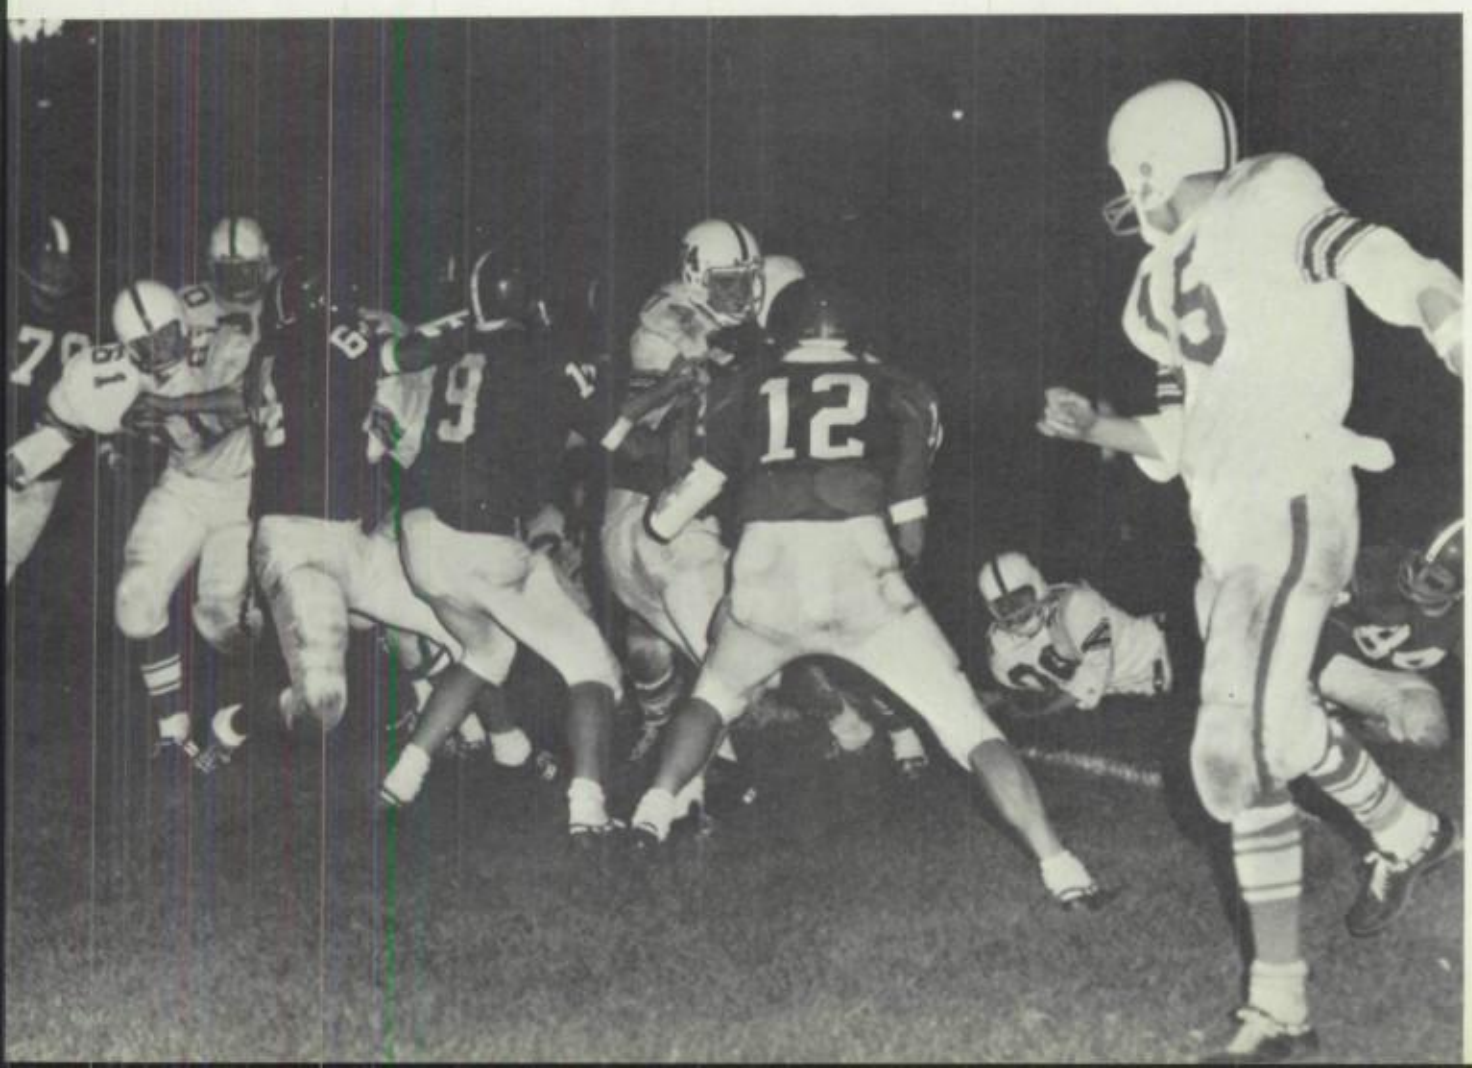
Following recovery from an injury, Steve Yungblut made three touchdowns in his first game to help his team beat McCook in the Banner Day contest. The Big Red led at halftime by virtue of Yungblut's second touchdown. Fumbles helped us on all three of the fullback's runs. In the fourth quarter, Jerry Becking intercepted a pass and Jim Kautz went the yardage to score. Final, 26-13.

Cheyenne Central soundly defeated the Bearcats in a non-conference football game on October 15. Central, Wyoming's number one team, showed speed and power as they beat our team 33-0. The Indians' rugged defense never let up to enable the Bearcats to score. Alternates of both teams played late in the game. Central forced us to punt seven times while they were forced to punt only twice.

Scottsbluff fell to Kearney in a West Big Ten football game on October 22. We scored only once, in the first quarter as the Kearney Bearcats scored four times to beat us 27-7. Walters recovered a fumble on our 35-yard line to start the drive. Micek went the final yardage on a quarterback sneak. Hayen made the extra point. This was the only time we were able to penetrate Kearney's tough defense.

North Platte smashed the Bearcats' hope in the West Big Ten and assured itself a second place in the conference by defeating us 20-7 on October 27. The Bulldogs led 13-0 at halftime and the Bearcats pressed only once, in the third quarter. Steve Yungblut went the final yards for our only touchdown with Dave Hayen place kicking the extra point. North Platte came back for the final score.

Parents' Night was a success for the Big Red as they downed the Alliance Bulldogs in our final game of the season. Yungblut scored in the third quarter and the remainder of the game was scoreless until the final minutes. The Bearcats scored 19 points in the final four minutes of the game. Hayen and Yungblut each scored on short yardage and Reisig ran 55 yards to win the game 25-6.



A SCOTTSBLUFF RUNNER finds the going tough as he is surrounded by a wall of McCook Bison. Kosman, Sorensen and Shaver rush to his aid as Hayen looks on.

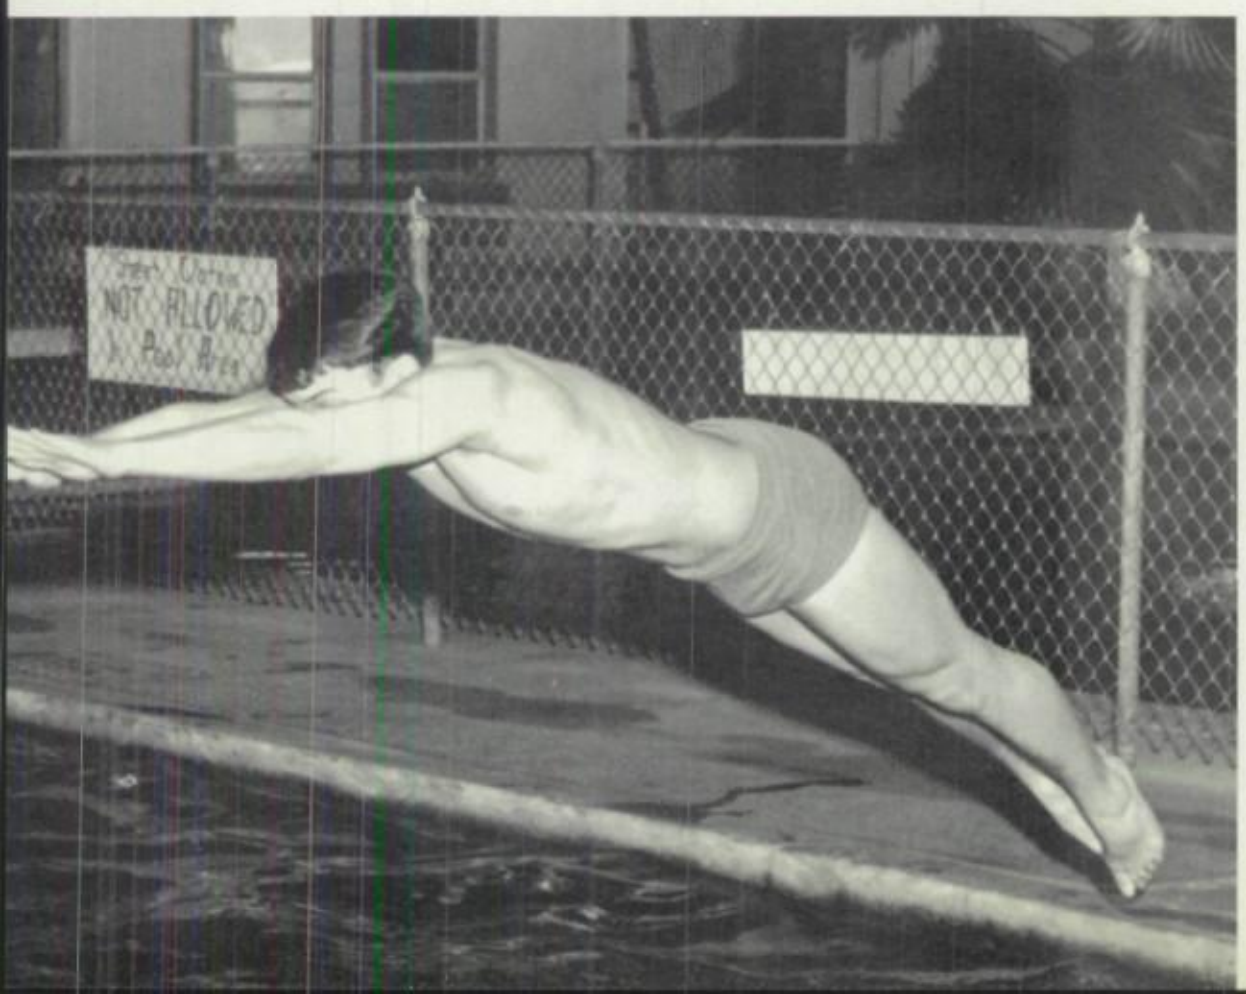
ALL READY TO hit the water just as soon as the lead-off man comes in is Jim White, a member of the 400-yard relay team.

Scottsbluff soundly defeated University Prep of Laramie 65-20. The Seacats won all events except the 200-yard individual medley. Mike Cain came in second in this event.

Setting two meet records in the fifth annual Cheyenne Invitational, Dan Ramsey helped his team to finish seventh out of a field of ten. Ramsey set his records in the 100 and 200-yard freestyle events to account for 14 of the Cats' 16 points. A sixth place by the medley relay team added the two points for the total.

Splashing to a third place in the Big Ten meet in Hastings, the Seacats posted two new meet records. Dan repeated his record setting victories of the previous Big Ten meet in the 100 and 200-yard freestyle events. Doug Kirk finished third in the 100-yard butterfly and John Duve finished fourth in the 100-yard breaststroke.

Placing at state for the first time, the Bearcats finished 12th in a field of 27 schools. Dan Ramsey finished sixth in the 100 and 200-yard freestyle to score.



DIVING IN TO do some laps at practice is Dan Ramsey who was the captain of the Seacat swimming team. Dan posted six records and placed in the state meet at Lincoln. His specialities were the 100 and 200-yard freestyle events.

BIG RED VARSITY basketball team: Larry Heinrich, Bob Lubek, Rick San Juan, Dennis Becking, Bill Schwaner, Dave Hayen, Joe Goodell, Dennis Kramer, Gene Walters, Greg Goerke, Dave Ruff, Steve Reisig and Norman Herman. In the center are Coach Harry Dowell and student manager, Rob Kinsey. The Bearcats finished in a tie with Kearney for second place in the West Big Ten conference with a 5-2 record.

SCOTTSBLUFF 62 — CHEYENNE CENTRAL

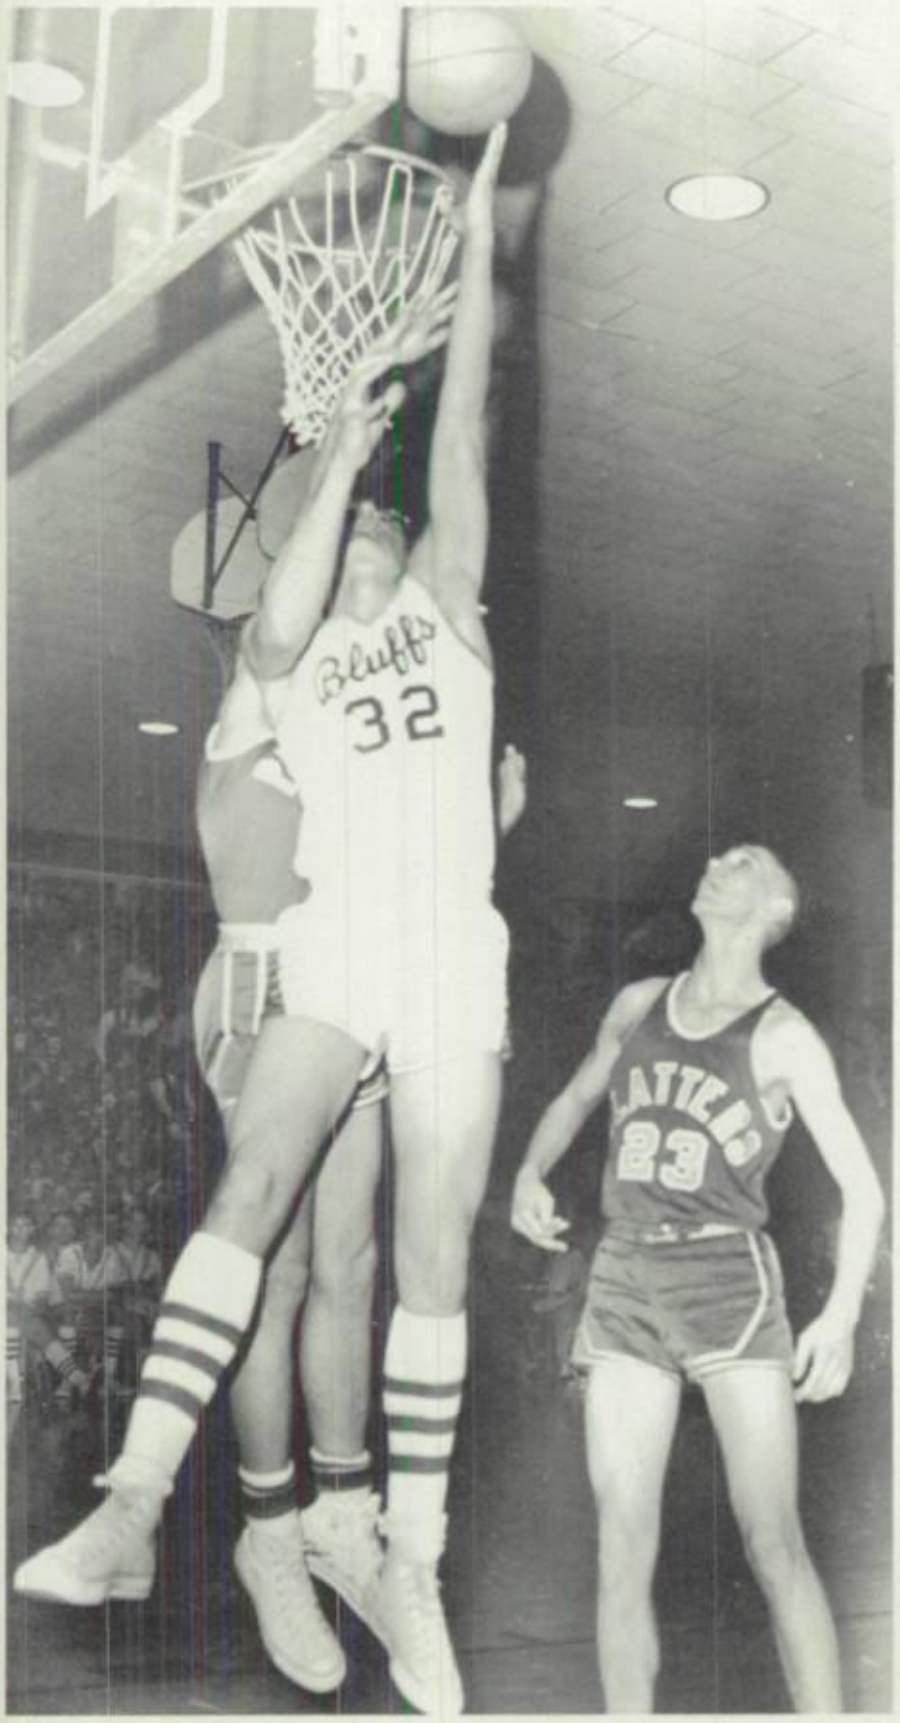
The Indians outscored the Bearcats in all four periods to soundly beat Scottsbluff in a non-conference game which was the opener for both teams. Joe Goodell led the team with a total of 19 points.

SCOTTSBLUFF 58 — BOYS TOWN 79

Although the Bearcats outscored the Cowboys 22-10 in the fourth quarter, they were never able to catch the tall, fast Cowboy team. Joe Goodell paced Scottsbluff with 12 points. Greg Goerke made 10, six of which came late in the final quarter.

DAVE RUFF RECEIVES some advice from Mr. Dowell as Mr. March, reserve coach, watches the action carefully. Rob Kinsey is recording the plays of the game which help the coach to correct mistakes before the next game.

Bearcats Fight to the Wire for West Big Ten.



ATTEMPTING TO TIP the ball in for two is senior Joe Goodell. Joe was the team scoring leader as well as a Big Ten leader. The 6'3" center played in all games and accounted for many rebounds.

WILL IT GO through? Junior Greg Goerke seems suspended in mid-air, his eye fixed upon the course of the ball as it arches over the hoop for a possible two points. A Boys Town defender, seeming almost certain of the basket, stands in anticipation of a sure thing.

SCOTTSBLUFF 31 — BOYS TOWN 68

Scottsbluff controlled the ball to baffle Boys Town in the first quarter, but the Cowboys broke loose in the second half to easily defeat the Bearcat team. Dave Ruff and Joe Goodell led the scoring with 11 points each. Steve Reisig was next with four.

SCOTTSBLUFF 70 — KEARNEY 65

Using the fast break and a full court press, the Big Red took temporary lead of the West Big Ten. Joe Goodell had 23 tallies, followed by Dennis Becking with 14. Dave Ruff netted 11 points and was 5-5 at the free throw line. Reisig connected for 10 points.

SCOTTSBLUFF 58 — MCCOOK 74

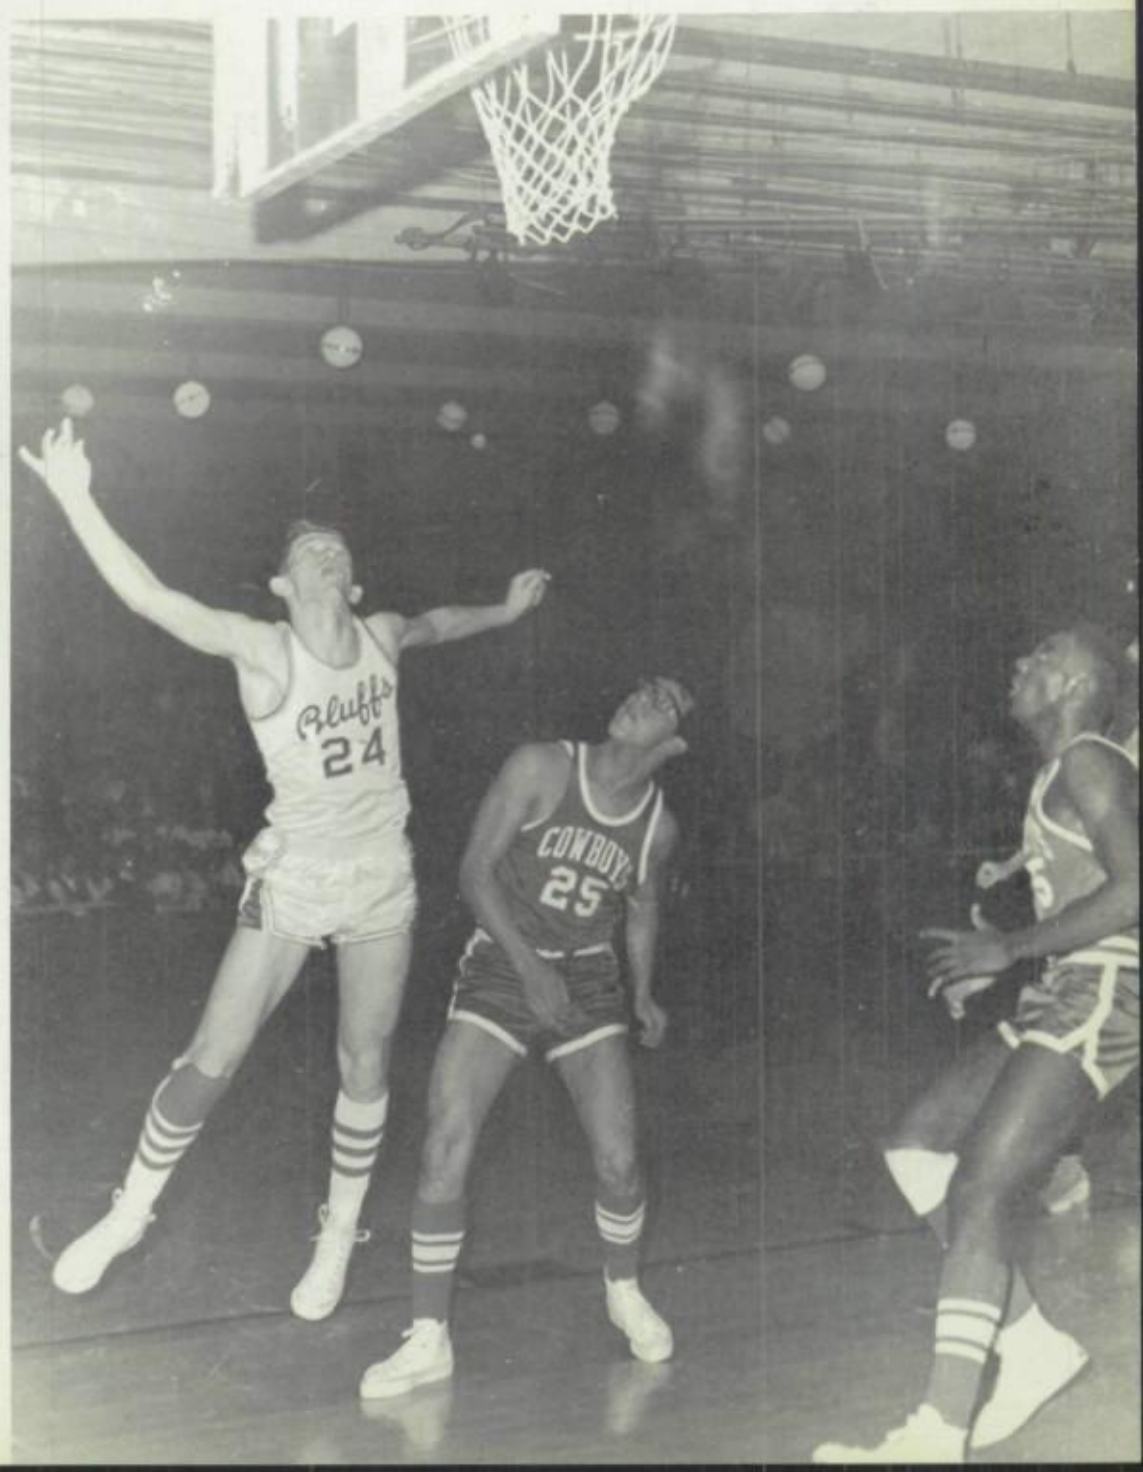
Taking the lead in the fourth quarter, McCook took advantage of a Bearcat cold spell to beat the visiting Bluff team in a West Big Ten game. The Big Red rallied in the third quarter to make up an 11 point deficit. Joe Goodell and Dave Hayen led the scoring with 14.

SCOTTSBLUFF 58 — KEARNEY 66

Kearney rallied in the second half to defeat the Bearcats in a West Big Ten game in Kearney. The Bluff's team started out fast and took a commanding lead in the first quarter. The lead changed hands several times before the Kearney team went ahead for keeps.

SCOTTSBLUFF 64 — NORTH PLATTE 47

Rolling up an early lead, the Bearcats took North Platte in a conference game. Goodell led the team scoring with 21 points.



SCOTTSBLUFF 58 — ALLIANCE 52

RIMMING 26 points to help his team defeat Alliance was Joe Goodell. The fast break once again spearheaded the Bearcats' offensive work with Reisig and Ruff supplying the hustle to do it. Dave Hayen swished 13 points and Reisig had eight.

SCOTTSBLUFF 78 — GERING 60

Scottsbluff never trailed the Bulldogs in this non-conference game. The Big Red used the full-court press, the fast break and good ball control to outlast the Gering team in all quarters. Dennis Becking led the Bluffs' scoring with 20 points. Goodell was next with 18 and Dave Hayen scored 14 points. Scottsbluff had almost a 2-1 edge in field goals while Gering led at the free throw line.

SCOTTSBLUFF 60 — NORTH PLATTE 53

Staging a last-half rally, the Bearcats stopped the Platters in a West Big Ten game. The Big Red went ahead for keeps only in the closing minutes of the third quarter. Goodell again led all scorers with 26 points. Hayen made 17 points and Becking had 10.

SCOTTSBLUFF 58 — ALLIANCE 56

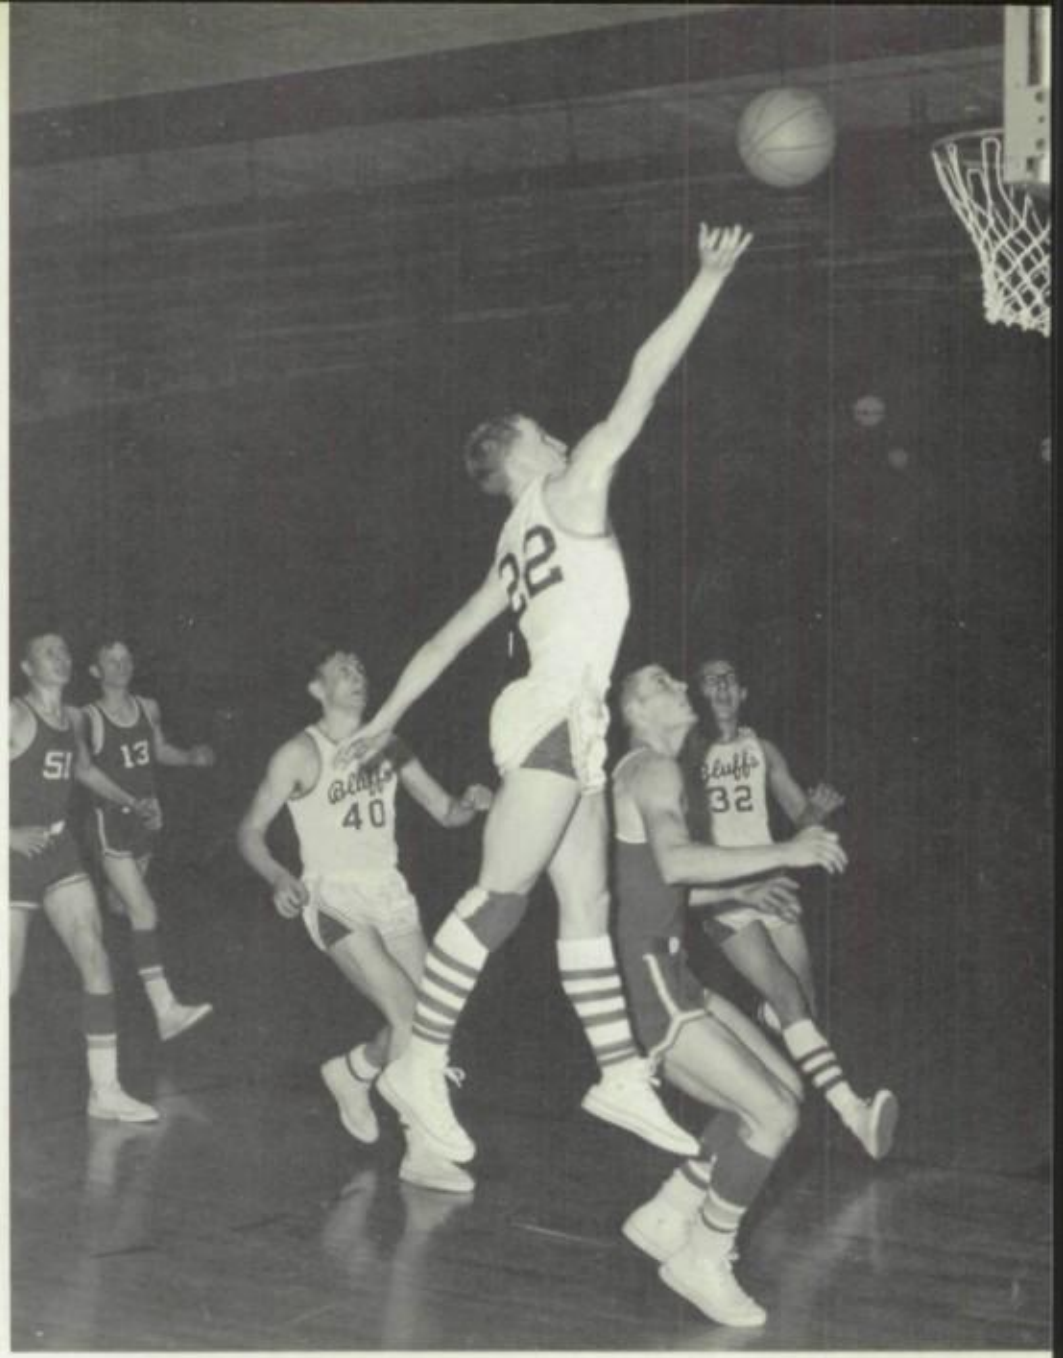
Leading in all quarters, the Bearcats ran into trouble in the last quarter, with Alliance outscoring the Bluff team 19-9. The Cats managed to hold on to the lead to win with the combined scoring of Joe Goodell, Steve Reisig, Dave Hayen and Dave Ruff.

SCOTTSBLUFF 78 — SIDNEY 55

The Big Red clawed the Sidney Maroons in a non-conference game in Sidney. Three boys scored in two figures, Goodell with 14, Becking with 16 and Bill Schwaner with 10.

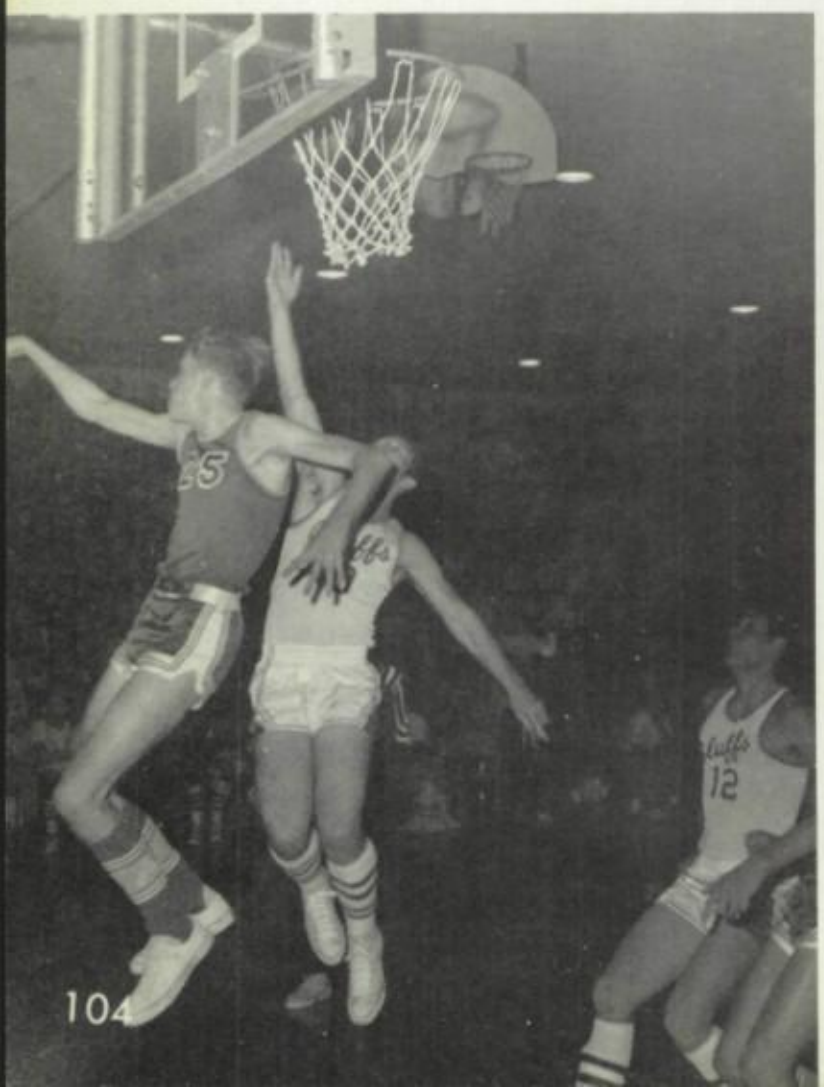
SCOTTSBLUFF 49 — MCCOOK 60

Splurging in the final quarter, the Bison won their fourth West Big Ten title. The first three quarters saw the fighting Bearcats exchange the lead four times. Joe Goodell paced the Cats with 19.



GOING UP FOR two after a fast break is Steve Reisig. Joe Goodell and Dennis Becking rush to his aid in case the ball misses the hoop the first time. The Bearcats used the fast break effectively all season.

DAVE RUFF GOES for a bucket as his Alliance guard attempts to block the shot. Dave was a main-stay, both offensively and defensively for the Bearcat team.



JOE GOODELL IS in the act of shooting in the midst of a horde of Boys Town Cowboys. The two game series at Scottsbluff was the last. Over the years the Boys Town club has won 25 times to the Bearcats' 18. The Cowboys took both games this year.

Kearney came from behind to win 62-51. Bob Madden was high scorer with 19. The Kimball varsity outshot the Bearcubs 49-34. Madden led the Bluffs with eight points. Jerry Becking had seven.

McCook dropped in two free throws after the final buzzer to win 38-36. The Kearney reserves rallied in the second half to win 64-49. Larry Klein dropped in 19 points for the Bearcub team.

Scottsbluff got back on the winning trail by defeating North Platte 66-51. Klein again led, this time by 18 points. The reserve team went ahead for keeps in the second quarter to beat Gering by a score of 58-46. Bob Madden topped the scoring with 13.

Phil Quinnett fired 18 to help his team beat Alliance 53-43. The next night the Cubs found the range to beat Sidney 60-43. Madden led with 15. The last game covered saw the Bearcubs victorious over McCook.

ARCHING THE BALL up for two more points is Phil Quinnet. Jerry Becking stands ready to take the rebound in case the ball doesn't go through the hoop.

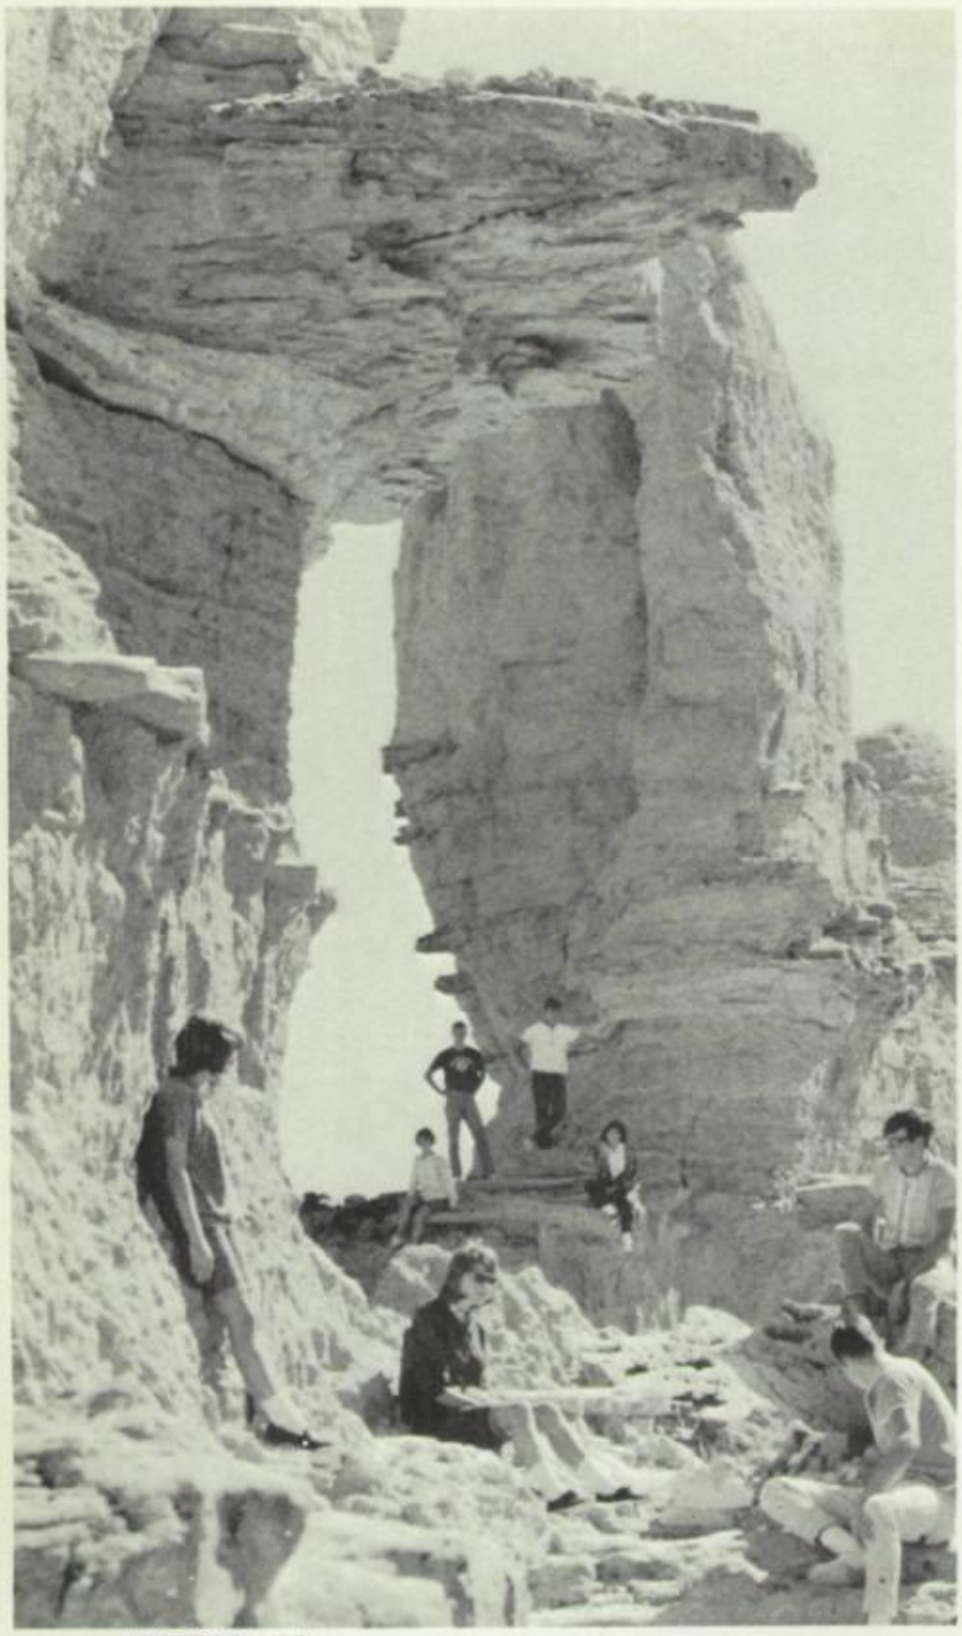
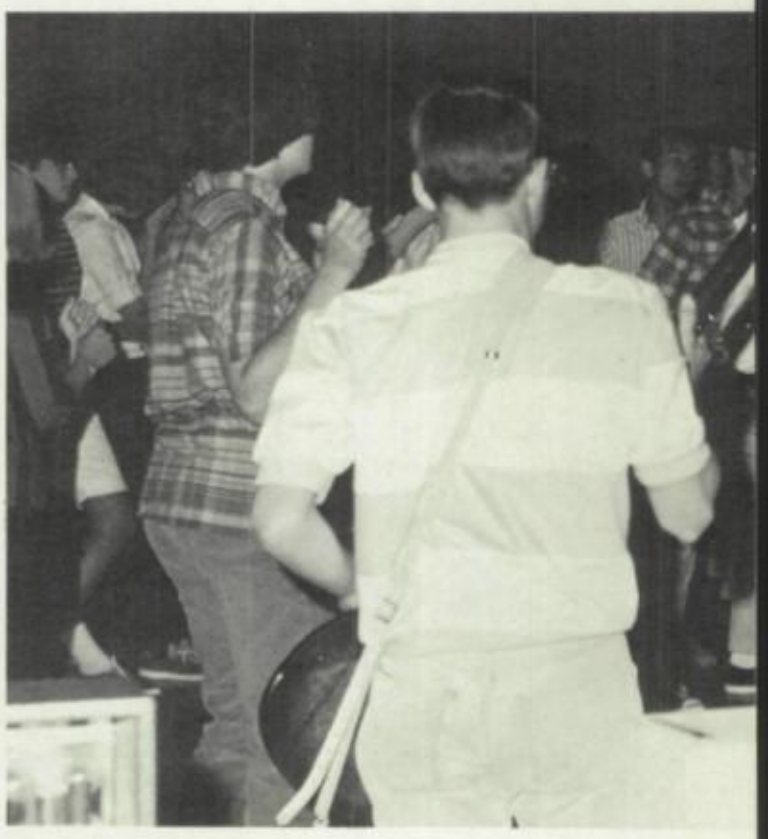
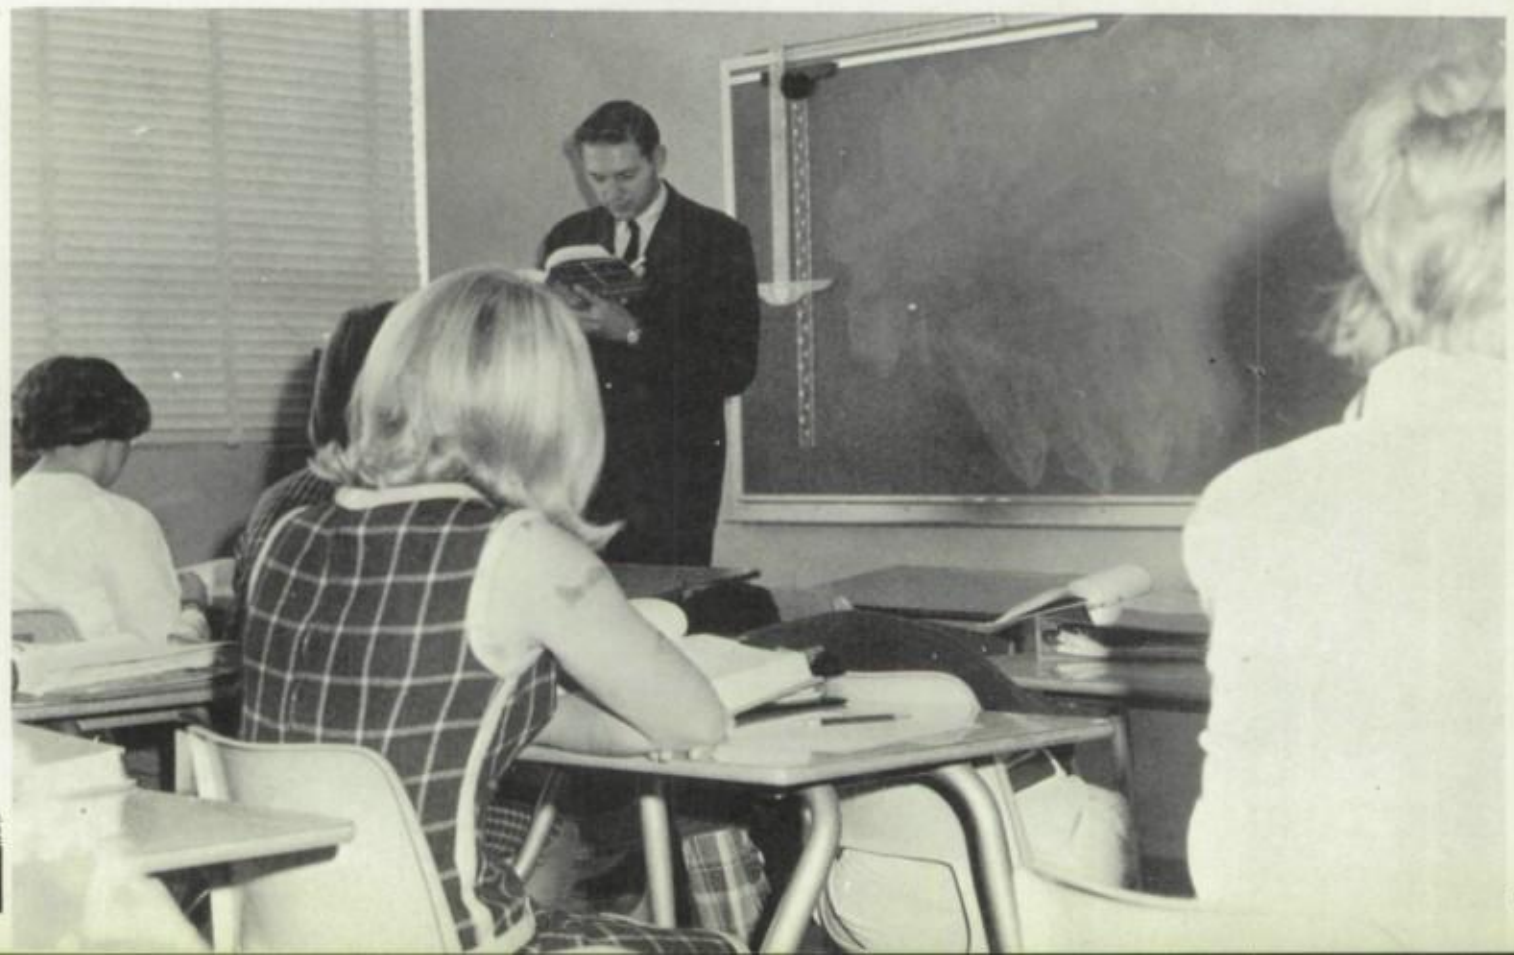
CLASSES







As each student advances through his years in high school, he gains in maturity and self-confidence. Each year marks another step gained toward graduation, his ultimate goal. The sophomores first are awed by their new surroundings but soon get into the swing of things. With one year behind them and one ahead, the juniors, now accustomed to the rigors of high school life, look forward to their final year. Attaining senior status brings many responsibilities—they are the leaders, the pace-setters. At graduation, an atmosphere of depression sets in, but a new road, the ROAD TO SUCCESS, leads them on.

Moving from Junior High to Senior High caused many transgressions to be made on the part of the sophomores. There was a time of confusion but each day was filled with a new and memorable experience.

As sophomores, students were required to take Driver's Training. Actual experience makes driving safer for an individual. Sophomores were encouraged to take part in extra-curricular activities. They were able to participate in many social events as well as to join various organizations. Two class parties were held during which the students became better acquainted with their school. Sophomores enjoyed socializing in the commons.

Sophomores experienced new responsibilities and as juniors can look ahead to many more. The newness was soon forgotten and the pattern set. Their experiences and memories will be beneficial throughout life.

Students experienced one of their most memorable and exciting years as juniors. Life suddenly became filled with new responsibilities and many activities served to broaden the world around them.

Tradition was kept alive as the Juniors ordered class rings and eagerly anticipated their arrival. County Government Day enabled those who participated to learn more about the functions of government. Selling at games, Iowa tests, giving speeches, and required subjects such as American History and speech helped to prepare students for greater things ahead.

The end of the year brought much work and excitement as Juniors made preparations for the Junior-Senior Banquet and Prom. These events brought to a close a year filled with fun, work, and many memories. Each event and activity of the year served as one more step toward the goal of adulthood and a promising future.

The Future Looks Bright As the Class of 1966

ASSISTING CLASS OFFICERS and council representatives in planning the year's activities are the Senior class sponsors. They are Mr. Ronald Becker, Mr. Ken Conner, Mr. Ray Frakes, and Mr. Tom Mihane. Mr. Frakes is the head sponsor.

Seniors at last! This was the cry on the lips of approximately 300 students as they entered school in September as members of the Class of 1966.

Work and play, mixed with some joys and a few tears all played a large part in their senior year. There was just a hint of sadness as they attended the last home football game of the season. Happiness prevailed too, especially when the Seniors prepared to leave school a week before the underclassmen.

As leaders of the school they had to set an example; as young adults they had to carry responsibility; and as individuals they had to continue the high standards set by the school. These things helped them to prepare for the future.

As graduation approaches, they think back to all that has occurred during this momentous year. However, they cannot live in memories. They must now step out onto the road to adulthood. It is not the end; it is only the beginning.

SENIOR COUNCIL REPRESENTATIVES are, standing: Jim Sedgwick, Bob Slie, Dave Ruff, Mike Laessle, Dave Hayen, Grant Sparks, Dick Kleager, Rob Kinsey, Bill Madden, and Bill Schwaner. Seated, are: Candy Fliesbach, Kathy Hamburger, Helen Connelly, Linda Nichol, Connie Hettinger, Judee Brungardt, Karen Lessman, June Scott, Judy Hascall and Diana Heinrich. Not pictured is Susan Hodge. One boy and one girl were elected in each American Government and Social Problems class. One girl was also elected in the Family Living class.

Enters the Road of Knowledge, Understanding.

LEADING THE SENIOR Class this year is President Rick Reinhardt. Assisting him as vice-president is Charlotte Johnson. Both have discovered that being an officer is a difficult but rewarding experience.

CHECKING OVER A financial report are Jerre Deines, class treasurer and Terry Hood, secretary. Terry has the job of recording all events at officers' meetings while Jerre must see that all dues are collected.

DISCUSSING THE EVENTS of the last student council meeting are Senior Class representatives Judi Riggs, Kathy Welsch, and Linda Sugano. These representatives present the wishes and ideas of the Senior Class members to the council during the regular meetings.

COLLECTING CLASS DUES is one of the responsibilities of class council members. Here council member Susan Hodge is shown receiving money from Bob Anderson and Mark Fritzler. The dues this year were fifty cents per semester.

THE END OF the year brings many thoughts of the future of all of the students. Seniors look forward to new adventures. The juniors anticipate their final year as the leaders of the school, and the sophomores rejoice at the thought that they will no longer be the youngest.

Year's End Brings Quandry; Decisions.

"Two roads diverged in a yellow wood, and I took the one least traveled by . . ." As the year progressed, we were also faced with this decision as to what we would do when the end of the year approached. As one looks through the 1966 BLUFF, many of these moments of decision and quandry will be recalled. Activities, acquaintances, classes, friends, games, tests: all these and many more have fitted together to make this year one which many will remember.

This book and its staff are indebted to many people. We cannot name them all, for they are you: the student. However, there are a few which are outstanding: Downey's Studio, Ken's Studio, Julie Cunningham, for her copy on the memorial page; Barbara Hergenrader, Mike Moran and Bev Thurston, juniors, who contributed their photographic skills; Bill Madden of the Star-Herald and Mr. Bud Harris, our area representative from Inter-Collegiate Press. Behind us always was our adviser, Mr. B. R. Minteer. His advice, help and at times, consolation, were invaluable in the production of this book. These are the people who have helped with the composition of our book: the collection of memories from the 1965-66 school year.
